Thanks everyone for saying yes to paddle together at the **2025 Australian Masters Games**. This will be the 2nd outing for the Lei Long Thunder Dragons and we hope to continue the fun we started at last year's Pan Pacific Masters Games.

We have a mix of paddlers from all over the globe, that most of us have paddled in various combinations together, at some point in our paddling lives. Whichever way we have crossed paths and landed in this boat together, we are planning for an epic few days of fun, together with the very good chance of some additional Lei Long results on the board.

Race site location

ACT Rowing Course at Weston Park, Yarralumla.

Accommodation

It will be a sort your own situation.

I have booked a hub house and this is in Griffith. All the beds in this house have been taken by some team members already.

Please make sure you are in Canberra on Friday 17 Oct at night and ready to race on Saturday 18 October, Sunday 19 October and Monday 20 October. We are departing on Tuesday 21 October.

Team Gathering

It would be great to have a team dinner maybe on the Sunday 19 October night. Location tba.

If people are around on the Friday 17 October night and have done their pre regatta preparations, we may put a message out for a dinner. Once again, tba.

Opening Party

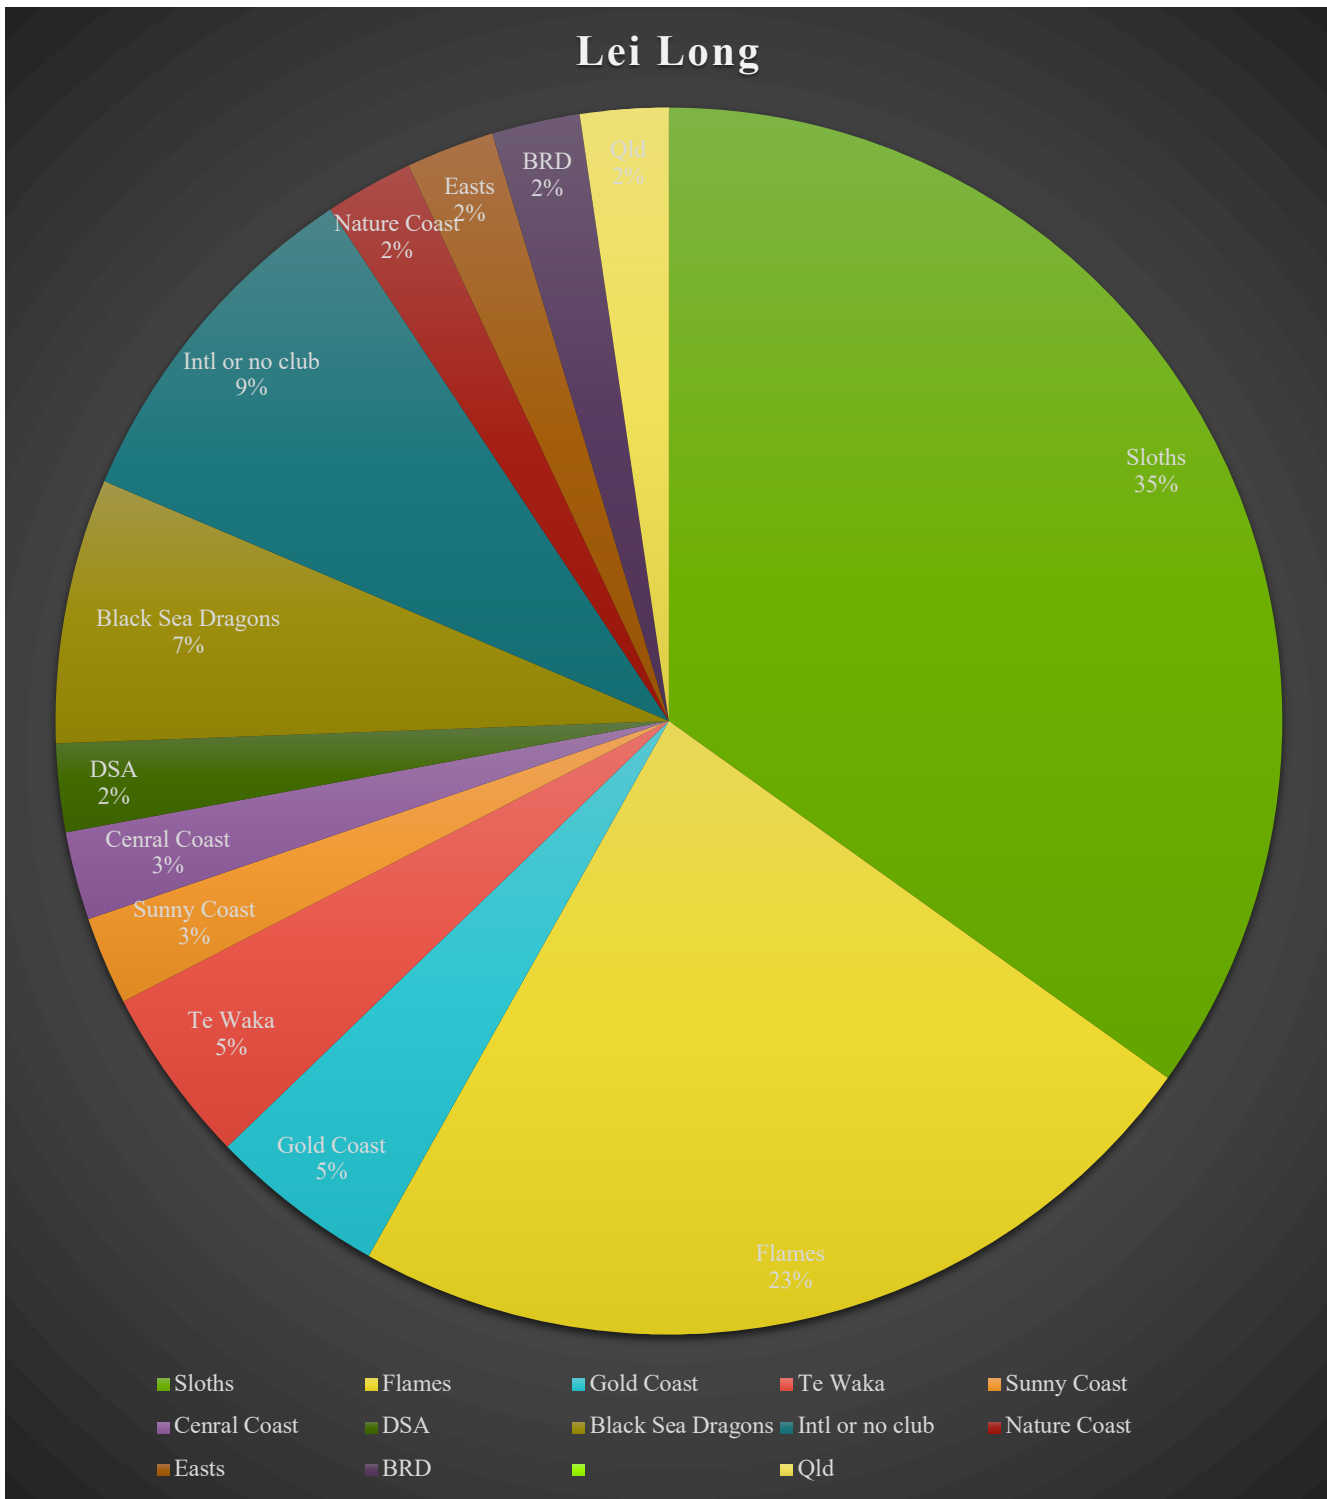

The Opening Party on Saturday 18 October is included in the \$90 part of your registration. We will keep you posted on information as it comes to hand and if you are keen.

Crew

We have finalized our Thunder Dragons and have 21 males and 22 females.

We like to keep the crew tight with limited reserves to ensure everyone gets lots of racing.

We have a 2 Male sweeps in Shine and Pete and 3 female sweeps to share the load. We also have a few options for drummers as well, to cross over Opens, Women's and Mixed.

Club registration

If you will not be a registered member of an AUSDBF club in October, You will need to be as a requirement.

The Sloths DBC have kindly agreed, to allow whoever is not a member of a club to join up for the sole purpose of racing for Aust Masters Games.

This will only be the DBNSW portion of the membership and there will be no club membership applicable.

At present the DBNSW membership is \$120, so you will need to factor this into your budget if not a club member anywhere, come October.

As membership is rolling, I would suggest leaving this until August or September to get the maximum 12 months out of your rego. In case Lei Long do another event within that time frame, you will be covered again.

If you are a club orphan you can register here for DBNSW via Sloths
